

Soft Seating

CUBE001/002/003

The Shuttleworth Cube Chair and Sofa range combines contemporary styling with robust construction to create a comfortable and welcoming seating solution for communal waiting areas in healthcare environments.

Designed to help create a stress-free atmosphere for patients and visitors, each unit is manufactured using high-density, high-resilience foam to provide long-lasting comfort and support.

Available in a choice of upholstery colours, the range includes the single Cube Chair, the two-seater Cube Sofa, and the three-seater Cube Sofa.

All models are built with a sturdy internal frame, supplied with a five-year frame warranty.

This range provides a durable, stylish, and comfortable seating option suitable for busy waiting areas in hospitals, clinics, and care facilities.
