

# Soft Seating

## COM001,002

The Comfort Tub range introduces modular, stylish seating options, available as a single tub chair or a two-seater sofa.

Crafted for communal waiting areas and high-traffic clinical environments, each piece is constructed from high-density, high-resilience foam to ensure long-lasting comfort and structural integrity.

Manufactured in the UK and fully CE Marked, the Comfort Tub Seating range is designed to foster a calming patient experience while meeting stringent healthcare quality standards.

A five-year manufacturer's warranty on the frame further underlines its long-term value. A broad palette of upholstery options is available, ranging from contemporary to soft tones, allowing seamless integration with various interior schemes.

Code	Width	Depth	Height	Seat Height	Seat Depth	SWL
COM001-COLOUR	62cm	62cm	80cm	45cm	49cm	150kg
COM002-COLOUR	132cm	62cm	80cm	45cm	49cm	250kg
