

# Starsys Anaesthesia Cart

## SXRSANES Anesthesia Cart

The Metro Starsys Anesthesia Cart is an innovative solution designed to meet the demanding needs of healthcare professionals. Engineered for efficiency and durability, this cart offers secure, organized storage for anesthesia supplies, ensuring seamless access in high-pressure medical environments.

The cart's compact footprint makes it ideal for theatres, anaesthetic zones, and tight storage areas, while still providing ample storage organization and functionality.

Key lock security, combined with optional electronic keypad access and controlled access limits, ensures sensitive medications and supplies remain secure, making it especially suitable for controlled medication storage areas.

Mobility is streamlined through robust 5" swivel castors, with front Total-Lock toe brakes that secure both wheel and castor minimising movement during stationary use. The Starsys Anesthesia Cart with Key Lock integrates durability, security, and infection control into a practical and adaptable storage system.

| Code     | Width | Depth  | Height | Weight |
|----------|-------|--------|--------|--------|
| SXRSANES | 63cm  | 86.6cm | 113cm  | 104kg  |
